

Welcome to the Boone County Chamber

With over 200 members ranging from small home-based enterprises to large corporations, your local chamber has been a boost for business in Boone County for over 110 years. It is our pleasure to connect you to our community of active and engaged business leaders.

The Chamber of Commerce strives to create, promote, and advocate for our members a business-friendly environment. We provide resources and promotional opportunities, host member-to-member and signature community events, and offer opportunities to engage with local civic and business leaders in the area. You will find our calendar of programs and communications have been curated to cultivate connections and involvement specific to the Boone County business community.

Within this Member Guide are numerous ways your Chamber membership can grow your business and grow Boone County.

As a new Chamber team, we invite you to Grow With Us in 2022!
